

## 2010 Herndon Olympics Held at Kingston Chase

For the second year in a row Kingston Chase welcomed young swimmers from around the area to the Herndon Olympics, now in its 31st year. Kingston Chase co-hosted the event again this year with the Herndon Community Center (Town of Herndon). Because of our nice pool and surrounding open areas, the huge group of 460 swimmers, their parents and siblings, coaches and friends, Kingston Chase is now the sought after place to hold this premier swimming event for our community swim teams. Everyone had a great time and compliments about our facilities and the organization of the event were abundant. Herndon Mayor Steven DeBenedittis and Delegate Tom Rust were on hand to serve as guest speakers, and Olympians Lacey Nymeyer and Josh Davis provided inspiration and prestige to the event. Additionally, Lacy and Josh held a swim clinic the day before and shared their expertise and techniques for competing well. Congratulations to the top finishers from Kingston Chase at the 2010 Herndon Olympics:
