

# MY BACKYARD in Kingston Chase

Photography by Allen Hart

One of the feeders we enjoyed adding to our backyard is a wire tube for holding peanut pieces. The photograph below shows a visit to the feeder by a Carolina Chickadee and a White-breasted Nuthatch.

Other birds that like to come to get peanut pieces are Blues Jays, Downy Woodpeckers, Red-bellied Woodpeckers, and Tufted Titmice. On occasion, we have also seen Northern Cardinals, House Sparrows, and Red-breasted Nuthatches visiting the peanut feeder.
