Pool Parties

- Pool parties are encouraged as long as the number of attendees is kept to reasonable numbers. To help accomplish this, please **reserve at least one week in advance**. At least 75% of the attendees must be residents, and one adult resident may bring in up to five guests per lot. Therefore, additional resident adults must be present if additional guests are anticipated. A party is considered a group of over ten persons. There may not be more than three parties in a day, and tables should be reserved at the time of reservation. First come, first served.
